Meeting Date: November 5, 2024

1. CALL TO ORDER

2. WELCOME AND INTRODUCTIONS

a. Land Acknowledgement

Acknowledging the land where we gather demonstrates our ongoing commitment to the original spirit and intent of Treaty 7, also known as the Blackfoot Treaty. This agreement is to share the land and live well together, in peace for 'as long as the sun shines, the grass grows, and the river flows.' This acknowledgement is an act of Truth and Reconciliation to honour the Indigenous peoples who have cared for their traditional territories since time immemorial and leads us to consider our individual and collective roles and responsibilities to the treaty relationship.

Oki, Dādánast'áda, Âba wathtec, Tânisi, Taanishi, Bonjour, Hello
The Calgary Board of Education acknowledges the traditional territories and oral practices of the Treaty 7 Nations, including the Siksikaitsitapi Nations, Tsuut'ina Nation, and the Îyârhe Nakoda Nations. We acknowledge the Métis Nation within Alberta, and all people who make their homes in the Treaty 7 region of southern Alberta. As a learning organization, we are committed to advancing the Truth and Reconciliation Calls to Action focused on Education for ReconciliACTION.

Introductions to/from any new school council attendees

b. Overview of School Council

- i. Parents and community members are important partners in public education. Through school councils, our partners can make significant and meaningful contributions to the learning opportunities provided to CBE students. Through the Education Act Alberta Education defines school councils as a collective association of parents, secondary students, the principal, teachers, and community representative(s) whose purpose is to advise the principal and the Board of Trustees respecting matters related to the school. School councils have legislated advisory and decision-making authority defined within the Education Act and the School Councils Regulation 94/2019.
- ii. Every CBE school community is required to establish a school council. Working in collaboration with the principal and school community, school councils can help foster a supportive learning environment and create valuable opportunities for students to meet the standards of education set by the minister.
