Mahogany School Council – October 6, 2026

1. Call to order at 6pm
2. Approval of today's agenda- by consensus
3. Approval of previous minutes- by consensus
4. Meeting Attendance- on sign in sheet
5. School Reports: A) Admin report-School bbq was a great success and thanked all the parent volunteers! b) Thank you volunteers for the support with photo day c) Orange shirt day & belonging assembly- it was a great day d) Terry Fox Run was another great success. e) The provincial screening assessment are complete, and the results will be sent home to families in November. f) Kind coffee and conversations event went well with about 8 parents attending. Next one will be held in November, and it was suggested that a council member come to this session to let families know more about school council and MSFA. g) School wish list has been finalized and submitted to MSFA for approval.

   B) Teacher report- Ms Jessica Davies is the learning leader focused on technology at Mahogany School. She reported that the school has 5 Ipad carts, 6 Chrome book carts. These devices have various apps such as mind craft, Canva, Scratch, Ozobots with coding & robotics. This month was focused on getting computer access and set up with the kids. CBE has structured guidelines on technology, and the use of these apps are to enrich learning as a supplementary tool.

6. Ongoing Business- a) Playground Committee- Jill will follow up with facilities to find out exactly what space would be available on the school grounds for playground expansion. A request for buddy benches added to the playground/school yard area was suggested and this will all be followed up on once we hear back from facilities on spacing so we can determine next steps.
7. New Business- a) Paul Davis is not coming in October as there was a communication mix up. The next proposed date to have him come is January 12th. Marlene will confirm with Paul that he is still available for that date. This would be for a daytime session with the kids and then an evening session with parents. b) For the December council meeting plan to discuss everything we need to review for January and determine if we can cancel the January 5th School Council/MSFA meetings as this is the second day back to school after Christmas break. Look at an alternate date that MSFA can gather. Items that need to be discussed are "From the Heart" event and Read-A-Thon. Note: Read-A-Thon proposed to change the dates to the start of March.

   c) Parent Teacher Conferences November 26 & 27th- check with Julie that meal is set up for this event.

Meeting adjourned at 6:34pm.
