What did you like most about this meeting?

Clear information and where I can find more information should I need it or to ask and it is welcomed.

Written Survey:

The activities Mahogany School provides (e.g. field trips, swimming, guest speakers, experts in schools, spring musical) are important for your child's learning?

Yes (x7)

Absolutely

Yes but many we don't need too many

The School Fees you pay are reasonable considering the benefit they provide your child?

Yes (x9)

Schools must operate within their budget and too many fees can be unmanageable for families. Knowing that, what activities and opportunities are most important to you?

Things that we don't have access or passes to

Field trips, musical, experts in school

Swimming, field trips, ducks

The musical, swimming

Swimming, field trips

The musical production, field trips

Swimming, in school activities, field trips

All of them are amazing but unless the learning is significantly different maybe we don't repeat?

Field trips, all the activities

Anything else you'd like to share about school fees?

The government needs to fund more to public education. I'm happy to fundraise for extras but the government should be paying for essentials.

No.

Studio Bell seems expensive for children.
